

Hello

My name is Lasse Thomsen and I work as an Intern at the Danish Cultural Institute for the time being. I am going to make a master project concerning the Hungarian EUNIC cluster. In this context I would like to make a short interview with you, concerning the institute and country you represent, concerning the EUNIC cooperation. The finished product should be an analysis of the EUNIC and in which degree the EUNIC should function. Strategising EUNIC

The interview is conducted personally and consists of around ten questions, and will take under a half an hour. I will come out to your institutes to conduct the interviews to take minimal time from your schedules.

The institutes which is contacted is; Goethe, British, Czech, French, Romanian, Danish and the Italian institutes to achieve a wide understanding of different

The time which is available for the interviews is Friday 27th January, Monday 30th and Tuesday 31st of January.
